hummingbird				
victim	N/A			

Name: _____ Class: _____ ()

B. Active Reading

When you read, you can use what you already know to learn more.
We can use 'KWL Charts' to help us organize our thinking about the topic.

The Giant Bird Eating Spider

Spiders

what I K now	what I W ant to find out	what I L earned
1. Some spiders are huge. _____	Can some spiders bite? _____	_____ _____
2. _____ _____	_____ _____	_____ _____
3. _____ _____	_____ _____	_____ _____

Name: _____ Class: _____ ()

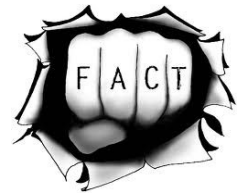

C. Reflection

1. Think about your questions that you wrote in 'W' on page 16.

Underline any parts of the text that answer these questions.

Then complete 'L' with the information that you learnt.

2. What was the most interesting fact that you learnt about giant spiders?

3. Write two more questions about giant spiders.

Do some online research to find the answers.
